

## Welcome to the Cranmer Local History Group programme for 2011-2012

The Cranmer Local History Group (as part of its objectives) is committed to promoting the history of Aslockton, Scarrington and Whatton-in-the-Vale.

This years programme shows a distinct local bias which we hope will appeal to all residents.

**Non-members, particularly residents of the three villages, are always MOST WELCOME.**

The Group maintains a Web Site:  
[www.cranmerlhg.org.uk](http://www.cranmerlhg.org.uk) and publishes the

LOCAL HISTORY DIGEST on an occasional basis which is free to residents.

We also undertake research and produce display material for local events and organisations.

Come along to a meeting and learn something more about the Parish you live in.

Membership subscriptions are the main source of funding for the Groups research, monthly talks and publications.

Membership runs from July to June and costs £10 per annum (pro-rata if joining mid-year). Come along to any meeting and join or use one of the contact details below.
